Did you know? The Peace Pole Project was started in Japan in 1955 by Masahisa Goi, who decided to dedicate his life to spreading the message, "May Peace Prevail on Earth" in response to the bombings on Hiroshima and Nagasaki. Peace Poles are handcrafted monuments erected the world over as international symbols of Peace. The purpose is to spread the message "May Peace Prevail on Earth" in the languages of the world. See pictures of other Peace Poles at www.peacepoles.com.
