### A Common Destiny

All living substance, all substance  
of energy, being, and purpose,  
are united and share the same destiny.

All people,  
those we love and those we know not of,  
are united and share the same destiny.

Birth-to-death  
we share this unity with  
the sun,  
earth,  
our brothers and sisters,  
strangers,  
flowers of the field,  
snow flakes,  
volcanoes and moon beams.

Birth — Life — Death  
Unknown — Known — Unknown

Our destiny: from unknown to unknown.

May we have the faith to accept this mystery  
and build upon its everlasting truth.

— David H. Eaton, *Unitarian Universalist*
