We believe that **each and every person is important.**
 We believe that **all people should be treated fairly.**
 We believe that **our churches are places where all people
 are accepted, and where we keep on
 learning together.**
 We believe that **each person must be free to search for
 what is true and right in life.**
 We believe that **all people should have a voice and a vote
 about the things which concern them.**
 We believe that **we should work for a peaceful, fair, and
 free world.**
 We believe that **we should care for our planet earth.**
