Two Rumi's

— Rumi, 13th-century Persian Muslim poet, jurist, theologian, and Sufi mystic

There is a life-force within your soul,
seek that life.

There is a gem in the mountain of your body,
seek that mine.

O traveler, if you are in search of that
Don't look outside,
look inside yourself and seek that.

You were born with potential.
You were born with goodness and trust.
You were born with ideals and dreams.
You were born with greatness.
You were born with wings.
You are not meant for crawling, so don't.
You have wings.
Learn to use them, and fly.
