A Person Will Worship Something

A person will worship something —
have no doubt about that.

We may think our tribute is paid in
secret in the dark recesses of our hearts —
but it will out.

That which dominates our imaginations
and our thoughts will determine
our lives and character.

Therefore, it behooves us to be
careful what we worship,
for what we are worshipping
we are becoming.

— Ralph Waldo Emerson, *Unitarian Universalist and Poet*
